For a very limited time we would like to present a special offer for the guests of Christopher Columbus. Join Dexter Ebanks on one of his twice daily trips to the Sting Ray City sandbar to swim with the stingrays and to snorkel on the beautiful reefs in North Sound. Sting Ray City sandbar is Cayman Islands most popular tourist attraction and is located between Sting Ray City and Rum Point. This is a trip for all ages and swimming abilities. You can play and feed the sting rays in three feet of water. Captain Dexter makes the trip fun with his great sense of humor and his tours are never crowded. He offers two trips daily leaving Cayman Island Yacht Club at 8:30am and 1:30pm.

Visit his website for more details at [www.dexters-fantaseatours.com](http://www.dexters-fantaseatours.com)

This is an exclusive offer for guests staying at Christopher Columbus and cannot be combined with any other specials or offers.

**Present this coupon prior to your trip and pay for three guests and the fourth guest goes FREE!!!**
